serie UR / UVT

Serenidad y belleza en esta amplia muestra de puertas de variados diseños que nos permiten adaptarnos a cualquier ambiente contemporáneo. Al prescindir de las molduras dotamos a la puerta de una mayor sencillez y elegancia. Estas puertas se fabrican prelacadas en blanco para su posterior terminación. En las opciones de vidriera el cristal se suministra instalado.

A wide selection of doors with various design themes. A choice from here for almost any contemporary environment.

The glass comes factory fitted without the use of beads, being both simple and elegant.

They come primed white to a high standard ready for final finishing coats of choice to suit colour scheme.

A dark green door with a brass handle and a white wall background. The door features a recessed rectangular panel design. The handle is a simple, horizontal brass lever. The door is set in a white wall, and the floor is a light-colored tile.
